Picot Plate Rolls Mean Savings

Picot's three-roll plate rolls, in combination with patented EASY Roll software, bring astounding efficiency to fabricators producing cylinders for transportation, manufacturing, and architecture. Picot has capacity for $\frac{3}{4}$ -inch plates up to six meters in length. Picot EASY Roll guarantees near-perfect pre-bending and finished parts, while reducing skill requirements, man-hours and materials waste. Roll into savings with Picot.
