

NOTCH²

**2nd Station Makes World's Best
Notcher Even Better!**

See the two-station Silver Eagle Notcher at Fabtech

Boschert notchers are already world-famous for their patented TRI-GIDE® technology—a 3-point ram guidance system that delivers superior precision and durability. The Boschert Silver Eagle and Golden Eagle bring something a little extra—an element of flexibility and additional purpose. Both can be configured with a second station that can fit either a coping or punching station.
