

For the Best in 3D Bending

PBT Delivers the **Twister**

PBT

PBT offers a range of approaches for three-dimensional bending,

augmenting its best-in-class CNC profile bending machines. PBT's Twister device, paired with a range of Z-axis roller options, delivers perfect helical parts with precision, accuracy, and efficiency. For more complex extruded profile shapes, PBT offers its 3-D Bending Device to precisely control pitch and twist of the workpiece. Let one of PBT's 3-D bending attachments take your bends to the top!
