Perfect Curves
and Impeccable
Service*

Recreational boat builders have exacting designs for gunwales, keels, trim profiles, or towers and consoles featuring custom extrusions. Boschert USA's PBT profile bending machines meet broad industry demand—from wake and fishing boats to deep sea vessels. PBT machines deliver precision, quality and repeatability in profile bending, matched by Boschert USA's hands-on service approach. We are dedicated to tailoring each machine to your unique requirements—from spec and tooling to installation, training, and ongoing service.
